IN THE MIDDLE OF A MEETING

You're too cute, Shinzo-san
After Falling Down.
Yeah. When should we?
hehehe
So, when should we go on our first date?

This is my first tankoubon. I'm thankful you're reading this even as I think certain parts that aren't so good really do stand out. And for allowing such a mediocrely written work into a tankoubon, I thank you for everything!

Shout-out to the main office

But when you took out the cancled placard, it made me wanna dance

I wanna continue producing more manga for you, so please watch over me!

Thanks!

To managing editor I-sama,
sorry as always.
Thank you for always treating someone like me with such sincerity ◎@

Everybody at Gufu House the crunch-time meals were delicious. I'm much indebted to you

Ashinagata-chan,
The messiah of Nishino's beauty marks. Thank you for smiling while wielding your cleaning skills

Ashi-K-chan,
Sorry for my excessive manner all the time. I've decided you'll be the person-in-charge of the alarm!!!

And also, to friends, family and all who took the time to read, thank you very much!
